

# Create space. For true success.

GEO | DIGITAL | LEADERSHIP | BUSINESS | CAREER

## **Executive coaching**

For leaders at all levels and entrepreneurs who navigate complex priorities and intend to achieve meaningful impact.

## **Career coaching and mentoring**

For professionals who want to develop their careers, take stock, or even pivot entirely, in a way that is true to themselves.

## **Training and development**

For groups and teams who seek to embed a supportive coaching and mentoring culture in their organisation.

**Hi – I’m Thierry and I believe that everyone should be able to flourish and make a positive impact in the world.**

Based in the UK, I’m an executive coach with over 25 years of global experience in leadership and consulting, in sectors such as Geo, Digital, Energy, Proptech, Environment, and Education.

**Online and in person, I work with authentic leaders and professionals who are intent on meaningful action in the face of complex challenges and change.**

My clients are passionate, curious, and self-reflective. For them, I’m primarily a trusted thinking partner. Someone who inspires them to think calmly, clearly, and creatively. Someone who helps them define success and achieve it – their way.

*“Thierry asks questions that nobody else asks.”*

– Andy, Technology Director

*“I had some real lightbulb moments.”*

– Alison, HR Leader

*“A thoughtful listener who helped me find the root of the issue.”*

– (Name withheld), CEO

*“He gets me to think differently... I walk away with new ideas.”*

– Patrizia, Head of DesignOps

*“Very easy to talk to... he understands.”*

– Devlyn, Product Manager

**Certified and accredited** to senior/executive level with the Institute of Leadership & Management and EMCC, my practice follows rigorous ethical and professional standards, incl. regular CPD and supervision with peer coaches and psychologists. I’m a Fellow of the Royal Geographical Society with a geospatial PhD.
